

## Idol Instructions for Re-generation.

### Re-generate function for brands listed below:

If customers buy an Idol remote and don't have the original remote, they can re-generate an original remote.

**Step1:** Press together button 1 and button 4 for 3 seconds, the LED will go on then go off (1 second) till LED goes solid, release the buttons. Which means it's entering into Re-generate mode. **Please see fig1**

**Step2:** Press buttons to choose the brands as per table 2.0. For example, if you choose BFT MITTO brand, press 1<sup>st</sup> button once, then LED flashes once.

**Step3:** Confirm the brand. Press 3<sup>rd</sup> and 4<sup>th</sup> button at the same time. When the LED blinks fast, release the buttons. Now the Idol remote is functioning as a new BFT MITTO remote. **Please see fig3.**

## NOW CODE THE REMOTE TO THE RECEIVER.
